

## **COST**

Please contact Julia Wright ([j.c.wright@hotmail.co.uk](mailto:j.c.wright@hotmail.co.uk)) to discuss the cost of running a Creative Beans workshop at your school.

The cost of a Creative Beans workshop varies, depending on:

- Whether or not the school would like professional illustrator, Lucy Panes, to run the illustration session.
- The location of the school (there is no extra charge for schools in Central London or within a ten mile radius of Winchester).
- The length of the workshop.
  - o The usual format for the school's workshop runs over the course of one school day. However, it is also possible to run longer or shorter workshops depending on the children's needs and interests.

**Copies of the book with the children's stories and illustrations are available two weeks after the workshop date at £10 per copy.**
